AUGUST 2016

NEWSLETTER

Let's just all pretend that I remembered to send this, my "August" newsletter, out last week, OK?

The Austrian coat of arms boot tops are completed. They were an incredible challenge, but I'm very pleased with the results.

I'm selling wooden wedges and straps from Italy now. Paige helped out by creating a pair of sandals for herself and documenting the entire process.

She'll use the pictures she took to create a guide for a do-it-yourself shoemaking kit.

The area where I sew has not been well-lit, and I've added ever more ingenious lighting additions in an effort to overcome the problem. Dale decided to fix it properly by adding another light. Thanks, Dale!
